

Time Alone

Rooney

Too close
Too close to see it
Didn't wanna believe it
Didn't wanna let go
But I'm here
After all these years
I wouldn't be the one
To say goodbye

Walking on the one way road
I can't turn back, I'm on my own
I never know what's in front of me
The more we try, the less I see

And all this time I'm looking back
Kicking myself for the way I acted
I'll keep on going down this road
I need a little time alone

How many
How many voices
Keep talking in circles
I'm just spinning my wheels
If I let it go
Maybe I'll never know
Where we were going
And how good it would get

Walking on the one way road
I can't turn back, I'm on my own
I never know what's in front of me
The more we try, the less I see

And all this time I'm looking back
Kicking myself for the way I acted
I'll keep on going down this road
I need a little time alone

Too afraid
Afraid for a big change
It's only loose change
Stuck under my couch
Now I'm here
After all these years
I wouldn't be the one
To say goodbye
To say goodbye
To say goodbye

Walking on the one way road
I can't turn back, I'm on my own
I never know what's in front of me
The more we try, the less I see

And all this time I'm looking back
Kicking myself for the way I acted
I'll keep on going down this road

I need a little time alone

I'll keep on going down this road

I need a little time alone
