

Time & Time Again

Rooney

Gotta find a way to go
Gotta find a way to get home
'Cause every road we take
It's another mistake

Time and time again my friend
Time and time again
Time and time again my friend
Time and time again
Again
Again

If you wanna run, run away
I got nothing left to say
If we're gonna take our time
What's the reason why

Time and time again my friend
Time and time again
Time and time again my friend
Time and time again
Again
Again
Again
Again
Again

Nobody knows a word they say
Don't you look, look away
Whatever we have at the end of the day
If it's you and me we'll be okay

Time and time again my friend
Time and time again
Time and time again my friend
Time and time again
Time and time again my friend
Time and time again
Time and time again old friend
Time and time again
Again
Again
Again
Again
Again
Again
Again
Again

Gotta find a way to grow
Gotta find a way back home
