

## Two Steps Ahead

Rooney

I always find a way to make it through the day  
And I always got a plan buried in the sand  
Well I always got a girl, the best ones in the world  
And I always got a cure right after an all-night bender

I'm two steps ahead  
Yeah, I'm two steps ahead  
Two steps ahead  
Yeah, I'm two steps ahead  
Two steps ahead

I always got a home when I'm sick of being alone  
And I always shut the door if you can't give me anymore  
And I always break away from all the childish games you play  
And I always speak the truth, to all my beaten, broken youth

I'm two steps ahead  
Yeah, I'm two steps ahead  
Two steps ahead  
Yeah, I'm two steps ahead  
Two steps ahead  
Yeah, I'm two steps ahead  
Two steps ahead  
Well I'm two steps ahead

I don't need no one to tell it like it is  
I can see it for myself and I'm two steps ahead  
Two steps ahead, two steps ahead  
Two steps ahead, two steps ahead  
Two steps ahead, two steps ahead  
Two steps ahead, two steps ahead  
Two steps ahead, two steps ahead
