

# Why

Rooney

Baby, Will you ever happy  
Isn't just lately, you seem like you just hate me  
And last night, I keep on thinking 'bout last night  
It felt like we where over, you brush me out your shoulders

No, I don't wanna lose you  
If I say I lose you  
Anyway it goes it all goes by  
Don't hold it all against me  
Baby, I'm so sorry  
And I don't  
I don't know why?

I wanna throw it all away  
Sabotaging saying Goob-Bye, Bye  
I wanna cry, I'm not with you  
But my heart is running drive  
(I don't know why?)  
And I don't know Why?  
(I don't know why? why? why? why?)

Baby, Why you wanna do this?  
I don't wanna keep on  
Keep on going oh-on  
It's not you, it doesn't seem like you  
Maybe where the wrong match  
Maybe it's just time and

Why?  
Why you wanna stay here?  
If there's no more love here  
You know it's not the last time  
You say I'm Changing but are you Rearranging  
Your broken heart

I wanna throw it all away  
Sabotaging saying Goob-Bye, Bye  
I wanna cry, I'm not with you  
But my heart is running drive  
(I don't know why?)  
And I don't know Why?  
(I don't know why? why? why? why?)

Oh Oh Oh  
Oh Oh Oh  
Oh Oh [x4]  
(Let me see what you get)  
(Let me see what you get baby)

(No, I don't wanna lose you  
If I say i lose you  
Anyway it goes it all goes by  
Don't hold it all against me  
Baby, I'm so sorry  
And I don't  
I don't know why?)

I wanna throw it all away  
Sabotaging saying Goob-Bye, Bye  
I wanna cry, I'm not with you  
But my heart is running drive  
(I don't know why?)  
And I don't know Why?  
(I don't know why? why? why? why?)
