

# Forevermore

Roosevelt

Forevermore  
I'll keep you beside me  
You are the song that plays on repeat  
Like never before, I fell for a memory  
Forevermore  
You're in my heart

Forevermore  
I'll keep you beside me  
You are the song that plays on repeat  
Like never before, I fell for a memory  
Forevermore  
You're in my heart

You're in my heart  
You're in my heart

Forevermore  
I'll keep you beside me  
You are the song that plays on repeat  
Like never before, I fell for a memory  
Forevermore  
You're in my heart
