

## Getaway

Roosevelt

Don't act like a fool  
We will be alright  
Try to keep your cool  
We will be just fine

We'll flow like water in the wind  
Just listen to the voice within

We can getaway tonight  
We can getaway tonight

Can't stop it now  
That we're on our way  
We'll work it out  
Trust me when I say

We'll flow like water in the wind  
Don't you hear the voices from within?

We can getaway tonight  
We can getaway tonight  
We can getaway tonight  
We can getaway tonight
