

Losing Touch

Roosevelt

Call me up
Did I fail to notice from the start
Hit me up
Can we talk it out when I'm home
It's been too long
Since I've been around in this old town
All along
I thought I'd come to terms with my past

I'm losing touch
Come back wherever you are
Yeah I'm losing touch
Let's go back to the start
Guess I'm losing touch
Come back wherever you are

Pull me out
Save me from the voices in my head
Take me out
To the places we used to go
It's been too long
Since I've been around in this old town
Here's a song
To the dreams we lost on the way

I'm losing touch
Come back wherever you are
Yeah I'm losing touch
Let's go back to the start
Guess I'm losing touch
Come back wherever you are

I'm losing touch
I'm losing touch
I'm losing touch
