Lucia

Roosevelt

She's been roamin' around
Callin' me up
I remember the sound
Right where we are
When our love got lost
On your side
Take us out tonight
To kill some time

Lucia
It's never been this way before
Lucia
Just take me back to where I was
Lucia
It's been too long to break away
Lucia

She was spinnin' around
Running away
Take me back to the sound
Remember the day
When our love got lost
On your side
Take us out tonight
To kill some time

Lucia
It's never been this way before
Lucia
Just take me back to where I was
Lucia
It's been too long to break away
Lucia

And all these memories won't fade away tonight
And if you wanna be my remedy, decide
And all these memories won't fade away tonight, ah

Lucia
It's never been this way before
Lucia
Just take me back to where I was
Lucia
It's been too long to break away
Lucia

Lucia
(And all these memories won't fade away tonight)
Lucia
(And if you wanna be my remedy, decide)
Lucia
(And all these memories won't fade away tonight, ah)
