

New Empire

Root

"My Great Father
Grandiose Magus
I will create them New Empire
Let me
Retrieve your mistake
I will give back
What once was

On new principals
On new dreams
Kärgeräs will live again
Let me, Father
Your work to finish"

"Once my Father said:
'Go and Create'
So now I say to you:
Go and create, my son
Give back to Nation the world
They are fighting for
But don't make the mistakes
Like I did once
Go and create, Raon"
