

Alive

Rootwater

All I was afraid of... ,
my fear has come
body has no power
whispers all around

I'm the one
I'm the one
I'm the one
I'm the one

staying in the desert
almost not alive
feeling no feelings
I'm alone on high

I'm the one
I'm the one
I'm the one
I'm the one

do I go nowhere?
Absent of mind
Am I not real?
Am I not alive?

I'm the one, alone
I'm the one, alone
I'm the one, alone
I'm the one, alone

I know there's no way
to avoid the life
but what about the pain?
It kills my mind

I'm the one, alone
I'm the one, alone
I'm the one, alone
I'm the one, alone

I hear in my ears : „no way ”
guess who is standing behind ...
unreal pictures in eyes
unreal figures behind

all what you need , will be given
all what you want , you will get
take more crack - touch the heaven
look at this girl - have a sex ...

instinctively - it's a lifetime
instinctively - not a sin , don't worry
no one will see , what you've done here
what is not seen , does not exists

I'm the one (all right ...)
I'm the one (all right ...)

I'm the one (all right ...)
I'm the one (all ...?)

do I go nowhere?
Absent of mind
Am I not real ?
Am I not alive ?

I'm the one , alone
I'm the one , alone
I'm the one , alone
I'm the one , alone

I know there's no way
to avoid the life
but what about the pain?
It kills my mind

I'm the one , alone
I'm the one , alone
I'm the one , alone
I'm the one , alone

You can't feel my pain
my life is for gain
all I do is for show
like a chameleon , like a clone

I will do all I must
cause of greed, cause of lust
like a junkie on the road
like a crow on the corpse

alive in hell
alive in hell
alive in hell
alive in hell

I'm the man you've met
years ago, he was alive
years ago, but now he's not

Do I go nowhere?
Absent of mind
Am I not real ?
Am I not alive ?

I'm the one, alone
I'm the one, alone
I'm the one, alone
I'm the one, alone

I know there's no way
to avoid the life
but what about the pain?
It kills my mind

Rise !
