

## Vendetta

Roper

Alright!  
Put your glasses on,  
baby I've been cutting coupons lately  
And might I say that you are looking so fine girl  
we'll stay put until the crack of nine little girl  
At the cakewalk, just like Matlock

Shake it all night  
rock it like you're eighteen  
make it alright, busting back on the scene

Vendetta, vendetta!  
Put your dentures in,  
sweet-talker I just painted flames on my walker  
I'll pick you up at 6 AM  
we'll show off to our jealous friends  
You'll wear lipstick, I'll wear depends  
At last we shall have our revenge  
We'll stage dive from as high as we can climb  
I hope that I don't bust my hip, this time  
I'll buy you anything less than a dime  
At the rock show, like Barry Manilow

All hell can't stop us now  
We shall have our revenge
