

# Keychain

Rory Gallagher

I got no keychain  
To lock up all my troubles  
I need a fast train  
Leaving on the double

Going some place  
She can't follow  
In the city  
In the 'No tomorrow'

I'm as wild as I can get  
Playing Russian roulette  
Got no keychain, baby  
Right now

Playing no games  
This no water pistol  
Ain't it insane?  
There's no chance of missing

No one holds  
Got my number  
If you see me  
Run for cover

I'm as wild as I can get  
Playing Russian roulette  
Got no keychain, baby  
Of mine

Well, I'm in a guided missile  
And I'm a lost in the sky  
Won't be returning until  
Things feel right

I got a poison pen letter  
Ain't that all I need?  
Some pretty woman  
Trying to make a ghost of me

I got no keychain  
Lock up all my troubles  
I need a fast train  
Leaving on the double

Going some  
You can't follow  
In the city  
Run for cover

I'm as wild as I can get  
Playing Russian roulette  
Got no keychain, baby  
Of mine
