

Pin The Sea To The Wall

Rosaline

I won't waste your time, but this gives me the strength to divide
It's kind of hard to describe, it's kind of hard to describe
I won't waste your time but this gives me the strength to divide
I'm like a man that's blind but in the midst of a thousand voices
There's colors on my mind
It's kind of hard to describe, it's kind of hard to describe
I won't waste your time but this gives me the strength to divide
One last time, with colors on my mind, I won't waste your time
I won't waste your time, but this gives me the strength to divide
