

What Kinda Girl?

Rosanne Cash

What kinda girl am I really am?
I love some turkey but I don't eat lamb
No sweet potato but I do like ham
What kinda girl am I really am?

What kinda girl am I really I?
I kept my jacket but I lost my tie
I'll tell ya truly that I sometimes lie
What kinda girl am I really I?

What kinda girl am I really who?
Don't wear pajamas and I don't sniff glue
I'm Mississippi, got the New York blues
What kinda girl am I really who?

What kinda girl am I really what?
I might be leavin' but the door ain't shut
I'm here for lovin' but I ain't no slut
What kinda girl am I really what?

What kinda girl am I really am?
I love some turkey but I don't eat lamb
No sweet potato but I do like ham
What kinda girl am I?
Am I really am?
