

Can't take too long when ya getting ready
Money got too long
Pockets getting heavy
What did I do wrong
Besides get it steady
When a nigga get wrong
We get super petty

Diamond link
Black mink
No shirt
Awww I come clean
Pink slips
I don't think they ready
I been Turnt
Aww don't be forgetty

I ain't really for the drama
Shout out to my baby mama

Bitch I'm Turnt
Baby rocking baby Pradas
Spending saving not a dollar
Even tho I know I oughta

Stepping in Giuseppe everytime that I'm stepping out
Just in case a nigga wanna know what that check about
Saying Scoe now, now, now
Let's not be disrespectful now
Still got that shit that make em spin they neck around
I just F around but I'm G doe

Bunch of bad bitches they with me tho
Tryna take a shot I got D tho
Finna slide up in it like a ski slope
Wine and dine she want meatloaf

Still shut it down still shut this bitch down
Still buss it down still smoke a whole pound

Rich as hell without a deal

Can't take too long when ya getting ready
Money got too long
Pockets getting heavy
What did I do wrong
Besides get it steady
When a nigga get wrong
We get super petty
