

Every Day

Roscoe Dash

Woke up next to two hoes
Two empty bottles of Nouveau
I'm like what the fuck is this, new ball?
And my dick looking like you know
Me, you and them in some sumo
And that ass she keep it cool, though
'Cause these hoes, they try to cup it up
And they busting, I don't want nothing
I'm just not gonna be yapping
To fuck with you in that fable
Got stallions off in them stables
Keep stacking sugar on my table
Got a TV screen with no cable
So every time is movie time
Straight shots, no juice of mine
They a pic, that's me in my crib
Damn right, bitch, these girls think that they shit
But they ain't dropping no hits
I'm 22 and I'm rich, so is the fare on my crib
So when you brought your niggas start popping out
I'm like live life, trip

Man, we do this everyday, everyday, everyday
Everyday, everyday, everyday
Everyday, everyday, everyday
Everyday, everyday, everyday
Everyday, everyday, everyday
Every single day
Everyday, everyday, everyday
Everyday, everyday, everyday
Everyday, everyday, everyday
Everyday, everyday, everyday
Every single day, everyday

Woke up in my car with this bad bitch named Star
Only reason why I remember 'cause I was looking out for them stars
When her head was glued in my lap, she ain't even talking a lil' back
She did a thing, she dipped that, she didn't even want no dip
Goddamn, I love that hoe for that, she always work her back
So good I'd pay if I was lame, but I ain't, so back to my rap
Damn, I'm drunk, I need breakfast
Got another bit, like three exists
Away from here but she crazy shit
Get all clingy, started feeling reckless
And I'm just not gonna be able
To fuck with her for that favor, no
Gotta pass the pair with that'
Keep stacking shrimp at my table
I bow my head 'cause I'm grateful
Even for the dumb and distasteful
And them lames who love to hate you
But can't say they'll do shit to break you
And y'all click? Damn right, bitch
These girls think that they're shit
But they never dropping no hits
I'm 22 and I'm rich, so is the fare on my crib
So when you brought your niggas start popping out

I'm like live life, trip

In a new Bugatti like fuck life
Two sets of hoes in this pimp house
Just in case the first ones don't fuck right
Doing something incredible no hope right?
I ain't talk with hoes that can't sip right
Run then keep the temp right
Fuck niggers then ball I stack right?
This shit talk new coup this shit bump
Your truth everything about this move

Take a nigger ass to class we 6
On a nigger bed then I'm G4
