

## Ketchup

Roscoe Dash

We the only way to what each other  
We just want the bread and cheese and extra lettuce  
We've been far and cause we brought the drugs  
They won't let us they thought  
They were leading until a nigga catch up  
And this is how we play catch up where we from  
And this is how we play catch up where we from  
And this is how we play catch up where we from  
And this is how we play catch up where we from

Hey this is how we play catch up where we from  
Hey we get money and we going to flip it and go dumb hey  
I'll be in swerve they think I'm so dumb hey  
And the way I act they know I'm slump yeah  
I got your bitch going here  
We takin shots only in here  
I got a fucker not a friend  
Then they begin yea  
So that my name is Pear

For the ones that think they going over by overlapping  
No one over here that's why we overlapping  
If you like five ten we going to be over smashing  
I took your little hoe and put her in sedation  
I sent that pack through the mail  
I'm a give that nigga hell  
Flesh and bone without a scale  
You telling stories I got one to tell  
Fuck you mean gone

We the only way to what each other  
We just want the bread and cheese and extra lettuce  
We've been far and cause we brought the drugs  
They won't let us they thought  
They were leading until a nigga catch up  
And this is how we play catch up where we from  
And this is how we play catch up where we from  
And this is how we play catch up where we from  
And this is how we play catch up where we from

I might pull up for your block  
I pull up like I'm fly  
You be telling all your folks  
Might pull up with the cops  
I'm nonstop find my pass I'm out  
I might pass by one more time  
But I might pass them blind  
Young diddy in Mercedes  
I'm a make me a fando  
Walking bendo  
Checking money anywhere I can though  
Oh fuck we going to make a movie on Samuel  
Staying big by the benz  
Bought a benz for my benz  
Now I pull up like I'm full of family  
Call my exes wonder what it could have been  
Now I'm flexing now I know we going to bring your money

For these days these rebels they come and they go  
I am coming and you still got to come and come in low  
You niggas funny like bubbling your funny bone  
I know some niggas playing catchup  
Someones got to step up  
How these niggas got so  
And they always mess up

We the only way to what each other  
We just want the bread and cheese and extra lettuce  
We've been far and cause we brought the drugs  
They won't let us they thought  
They were leading until a nigga catch up  
And this is how we play catch up where we from  
And this is how we play catch up where we from  
And this is how we play catch up where we from  
And this is how we play catch up where we from
