

## Mic Check

Roscoe Dash

A lot of shits changed since the last time I saw you  
A lot hasn't they prolly still wishing that I would fall throug  
h

Rappers told me if I ever need it just to call you  
So here I am again to tell you everything I aught too  
Monsoons, typhoons, hurricanes tsunamis  
All the shows, Rolls, planes all remind me of you  
You, you, you, you  
You, you, you, you, you

Ever since I started its been me and you regardless  
Through all the popping bottles and all the pain and hardships  
Its you, you, you, you, you  
Its you you, you, you...  
And me
