G niggas  
G niggas  
G niggas  
G niggas  
They ain't fucking with me  
G niggas  
G niggas  
G niggas  
G niggas  
They ain't fucking with me  
G niggas

G niggas please niggas  
All of these niggas each niggas  
Have somewhere my present grim as these niggas  
They know but dealing what I need niggas  
I got some styles you won't believe nigga  
But they don't let you eat with them  
Matrimony or the feed nigga  
Cause I'm a come and trick or treat with you nigga  
These niggas bitching like halloween  
I only switch my designer jeans  
I put my team on that type of swing  
The rumors go out like a policy  
260 [?] follow me  
Bitches 69 in front of me  
I got niggas that is going to want to be  
I got niggas I don't want to see  
Honestly I got jersey's hanging 10 yrs  
That is worth the plan  
When niggas with silent jerseys waiting when  
Niggas was out in Toronto with hermano  
They out there impersonating  
Man I heard you saying right before you  
Murder for infatuation it is easy to talk  
So murder infatuating  
So now how much murder in front your face

G niggas  
G niggas  
G niggas  
G niggas  
They ain't fucking with me  
G niggas  
G niggas  
G niggas  
G niggas  
They ain't fucking with me

They ain't fucking with me  
They ain't fucking with me  
They ain't fucking with me  
Niggas

I can't fuck with niggas like I'm jacking off  
Smoking like I'm Usher off  
Put the weed out on a nigga thought  
Fuck you thought jack it off  
Put the weed out on a nigga thoughts  
Fuker thought what you thought  
Deck it out I'm through with niggas  
Sleep so we ain't heard it yet but  
I kill these beastly little murder cap you  
Keep these nigga I murder them  
My people speaking in blood  
Fuck what they have up  
All this shit up my body uh  
My musical orchestra mode  
My orchestra always high and perpetual  
We turn that designer to guns  
I got that load that you can't keep  
That's why you can't see none of us  
Oh you don't want fuck with it's mr brush  
It's back to pack it up I must have missed  
That messing with happy niggas looking  
Laughing quit the zibby jabbing  
Before I get to jacking shit up  
These niggas are from the men in black  
Outer space they ain't taking that  
They ain't touching that side of the brain  
Aim like came like you can bring that shit back

G niggas  
G niggas  
G niggas  
G niggas  
They ain't fucking with me  
G niggas  
G niggas  
G niggas  
G niggas  
They ain't fucking with me  
G niggas

I'm smokin' purple  
I'm sipping purple  
Use to pray for times like this  
Patients a virtue  
You know who you fucking with  
No don't act confused  
You can never be this biff  
Can't take this shoes  
I never see these niggas snoring  
This shit gets boring  
I might just hop off this tour and  
Pull up like door man

My new bitch she is alluring  
Just looking foreign  
Who the hell you think she with  
When she ignoring  
She will be spiffing  
She exploring  
Receiving blessings  
With the jelling in my time  
Feeling like I learn my lesson  
Hey they see me come home  
I put weight on me  
Who I think they going to hate on me  
My nigga I'm living your daddy dream  
My blunt in my cup they have gasoline

G niggas  
G niggas  
G niggas  
G niggas  
They ain't fucking with me  
G niggas  
G niggas  
G niggas  
G niggas  
They ain't fucking with me
