

# Put It On You

Roscoe Dash

Tonight's the night, we gonna make it happen (we gonna make it happen)  
We can make love now I'ma get cracking (I'ma get it crackin')  
Girl I wanna love you down (Girl I wanna love you down)  
I hope you ready (I Hope you ready) (Girl I hope you're ready)

Tonight's the night, we gonna make it happen (we gonna make it happen)  
We can make love now I'ma get cracking (I'ma get it crackin')  
Girl I wanna love you down (Girl I wanna love you down)  
I hope you ready (I Hope you ready) (Girl I hope you're ready)

Ohh Yeaayeeaaa Roscoe  
Shawty could be down cause we young but we ready. Said  
You wetter than a sponge, now your hearts getting heavy  
I can make you fly like I'm poking though your levy (come on)  
Cause You got the body of a goddess I'd be on it if you let me

(Wish I) Put it on you, (wish I) I'ma put it on you  
You just the type that I like (oooo yeaayeea)  
Put it on you I'ma put it on you (come on)  
You just the type that I like

Step into my room girl I got some special plans for you  
Cause I'm so anxious I can't wait to get my hands on you  
The anticipations heavy baby, (come on) girl I hope you ready  
Girl you so wet we can plant this room like if we just broke the levy (levy)  
Quit the small talk girl I'm ready (I'm ready)  
I go deep till I'm in your stomach (stomach)  
Then your heart starts beating heavy (oh well)  
Then I go deep just to watch your toes curl (Go)  
You Bout to lift and slip into your own world (you will)  
And just as you about to feel that rush  
I push (push) then went and tell all your home girls  
Getting hot just like a fever  
Hot like purple reefer and every time I'm in that thing  
Shawty get louder than my speakers  
A pretty girl like no other, (no other) I can put that on my mother (my mother)  
Shawty you the best yea and that's why you my secret lover (go)

Shawty could be down cause we young but we ready. Said  
You wetter than a sponge, now your hearts getting heavy  
I can make you fly like I'm poking though your levy cause  
You got the body of a goddess I'd be on it if you let me

(Wish I) Put it on you, (wish I) I'ma put it on you  
You just the type that I like (oooo yeaayeea)  
Put it on you I'ma put it on you (come on)  
You just the type that I like

Do you wanna ride? (Do you?) Do you wanna ride? (Do you?)  
I'll show you all the things that I know (Show you all the things I know)  
There's no need to revise (No need) go and hop inside  
I'll show you things you've never seen before (Now come on)  
I'ma go deep, like I'm supposed to  
No flex girl I'ma put it on you  
I'ma do things that your man don't do  
Girl I'ma break you down

Just call me when you want to  
I'ma go hard like your man don't do  
I'ma slap thata thing like I'm supposed to  
Girl I'ma knock it out  
Girl you got me in a mood to do some freaky things to you  
In the back of my Chevy girl I hope your ready (come on)  
Cause I got some special plans for you
