Roscoe Dash

She says she want a nigga that will buy her nice things
A getaway where he don't wanna do the right things
I told her she ain't never met a nigga like me
Unless she bust it open, I send it right back
Give it to you ways you never seen girl
I'm a put it on you till you scream girl
Come and let me show what I mean girl
I make it cream girl, I bet you like that

She said I'm dumb and I do that
Put it in a suplex
Work it out for two sweats
Doggystyle like two pets
Baby I'm a nuisance
Use it to its useless
Send you right back to your man
To let him know he's Juice less
No mean to brag but I'm on it right now
She like the way the paint switches peach to scarlet right now
I walk in the room, well it started right now
I left her house, she do is called and said "I want it right now"
I been on the top two years, two summers
Its about time someone took me under
Who better then your bitch?
And my favorite girl no wonder
You feed her breakfast lunch and supper, yeah
I text her meet her fuck her, yeah
You kiss her at the end of the night cause you're a sucker

She says she want a nigga that will buy her nice things
A getaway where he don't wanna do the right things
I told her she ain't never met a nigga like me
Unless she bust it open, I send it right back
Give it to you ways you never seen girl
I'm a put it on you till you scream girl
Come and let me show what I mean girl
I make it cream girl, I bet you like that

I'm D-bo, you [?] beg your bitches
I feed 200 dollars for that pussy
And 2 bands for my sneakers
Face down all in the pillow
Ass all in the air
I Fuck her like she never been
And slap and pull her hair
DDT that pussy, pin up she tap out
Roll it out some dice, watch how quick she crap out
Bad bitch with a good cooch, bad jaw I'm a pull [?]

Chris brown throw the deuces
She like it
She love it
She suck it
She fuck it
I kiss it
I lick it
She pop it

I [?]
She dash
He smash
All four no knee pads
She glad
But he mad
She love me what a freak ass

She says she want a nigga that will buy her nice things
A getaway where he don't wanna do the right things
I told her she ain't never met a nigga like me
Unless she bust it open, I send it right back
Give it to you ways you never seen girl
I'm a put it on you till you scream girl
Come and let me show what I mean girl
I make it cream girl, I bet you like that
