

Seduction

Roscoe Dash

Make the money, with the Champagne shower
That girl, her pussy got power
I don't really dance, tall as a tower
Shauty goin till the late night hours
Seduction, seduction
Open like a flower, feels like Spring

I can fuck you like a pornstar, baby
I can drive you just a little more crazy
I can give you that dope like the 80's
Got the room heatin up like Haiti
Take you down till you pass out
You a LA leaker
I wanna take you home and drink ya
I do anything I gotta do to keep ya
Standin like you posin with them tattoos
Put them pussy lips on me, like I'm dried fruit
I got big shoes to fill, I'm talkin Shaq shoes
She hate to do him like that, but she have to

Make the money, with the Champagne shower
That girl, her pussy got power
I don't really dance, tall as a tower
Shauty goin till the late night hours
Seduction, seduction
Open like a flower, feels like Spring

I got everything you need
Good drank, weed rolled
Knee pads, she bad, conversation leads to deep throat
Good brain, I'm runnin game, but I don't need the cheat coads
Clothes she need to take off, like a member from the Migos
The way lil baby take the dick, you would think it's gettin re-poled
These other bitches not ballen, I'm bout to shoot my freethrow

These other hoes hatin on ya, they throwin shade like a Gazebo

Make the money, with the Champagne shower
That girl, her pussy got power
I don't really dance, tall as a tower
Shauty goin till the late night hours
Seduction, seduction
Open like a flower, feels like Spring
