

Rain

Rose Cousins

It's hard to listen to a hard, hard heart
Beating close to mine
Pounding up against the stone and steel
Walls that I won't climb
Sometimes a hurt is so deep deep deep
You think that you're gonna drown
Sometimes all I can do is weep, weep, weep
With all this rain falling down

Strange how hard it rains now
Rows and rows of big dark clouds
But I'm holding on underneath this shroud
Rain

It's hard to know when to give up the fight
Some things you want will
Just never be right
It's never rained like it has tonight before
Now I don't wanna beg you baby
For something maybe you could never give
I'm not looking for the rest of your life
I just want another chance to live

Strange how hard it rains now
Rows and rows of big dark clouds
But I'm holding on underneath this shroud
Rain

Strange how hard it rains now
Rows and rows of big dark clouds
But I'm holding on underneath this shroud
Rain

Strange how hard it rains now
Rows and rows of big dark clouds
But I'm still alive underneath this shroud
Rain
Rain
Oh Rain
