

Like Crazy

Rose Falcon

I heard what you said about your last girlfriend.
You said she was absolutely crazy.
And that lookin' back she wasn't really worth a damn.
I wonder what you're gonna say about me.

I can cry you a river so deep that you can't touch the bottom o
n your tippy toe feet
and make like a shade so black make the sun in the sky look lik
e a single match.
But if your brave enough to be my man,
I'll love you like crazy, like only crazy can.

I don't wanna run you off or make you scared.
I only wanna give you a fair warning.
And I can't explain the reason for the way I am,
I only promise that I'll be the same come mornin'.

I can cry you a river so deep that you can't touch the bottom o
n your tippy toe feet
and make like a shade so black make the sun in the sky look lik
e a single match.
But if your brave enough to be my man,
I'll love you like crazy, like only crazy can.

I heard what you said about your last girlfriend.
