Nice work if you can get a job
At the Funk Factory
Nice work if you can get a job
At the Funk Factory

Well you don't have to have an interview
But just get with the people and do your do
Oh all you need is soul, yeah
And you've got a job

Nice work if you can get a job
At the Funk Factory
Nice work if you can get a job
At the Funk Factory

Let me tell you now
You don't have to work too fast
And you don't have to work too hard
You just dance up and down and all around
And you're doin' your part
Well you don't need an invitation
And neither do you need an examination
Oh all you need is soul, yeah
And you've got a job

Oh what a job and not too hard
You can go far no matter who you are

Hey, my man, tell me something
How do you got a job at the Funk Factory?
Oh, you gotta have soul to work here
Soul? What kind of soul, brother?
Oh any kind of soul, it's not too hard
Well, tell me about it then
Can you [?]
I think I can
Can you shake your head?
Be like this?
Can you shake your leg?
[?]

Bump, bump, bump
Oh, everybody do the bump
Bump, bump, bump
All right, brother, you're over the hump
Bump, bump, bump
Must be I got it together, brother
And you're looking good
Bump, bump, bump
Get down, brother, you know you can
