

Any Place I Hang My Hat Is Home

Rosemary Clooney

Free and easy
That's my style
Howdy do me
Watch me smile
Fare thee well me
After a while
'Cause I gotta roam
And anyplace I hang my hat is home

Sweet 'nin' water
Cherry wine
Thank you kindly
Suits me fine
Kansas City
Caroline
That's my honeycomb
'Cause anyplace I hang my hat is home

Birds roostin' in the tree
Pick up and go
And the goin' proves
That's how it ought to be
I pick up too
When the spirit moves me

Cross the river
Round the bend
Howdy stranger
So long, friend
There's a voice
In the lonesome wind
That's keeps whisperin' roam
'Cause anyplace I hang my hat is home

Birds roostin' in the tree
Pick up and go
And the goin' proves
That's how it ought to be
I pick up too
When the spirit moves me

Cross the river
Round the bend
Howdy stranger
So long, friend
There's a voice
In the lonesome wind
That's keeps whisperin' roam
I'm goin' where a welcome mat is
No matter where that is
'Cause anyplace I hang my hat is home
