

# Don'cha Go 'Way Mad

Rosemary Clooney

Who was that woman I saw you with last night?

I must confess what you say is true  
I had a rendezvous with somebody new  
It's the only one I ever had  
Oh yeah?  
Baby, baby, don'cha go way mad!

Cheatin' shows and it never goes  
I got a reason to be mad, I suppose  
Well, I guess I'm just a passin' fad  
Baby, baby, don'cha go way mad!

Your kind's a dime a dozen  
That's not the kind I want!  
Who would believe your cousin  
Would be sittin' in that restaurant!

You realise that I'm real upset!  
What do you say that you forgive and forget?  
Ought to shake you for a truer lad!  
Oh bay-bay-baby, don'cha go way mad!

Look honey, if you really wanna know the truth  
She just happened to be sitting at my table  
Baby! Baby, who are you kidding?  
And furthermore, all I had on my mind was food!  
Well, if that's the case  
How come you were seen holding hands across the table?  
Holding hands? Holding hands?  
I wasn't holding hands, I was just reaching for the cheque!  
Hah! Honey, you know you never reached for a cheque in your life!

I guess that you've got me dead to rights!  
I mighta known that you were slippin' 'round nights!  
I'll admit I really was a cad!  
Can you blame me if I go 'way mad!

Cheatin' shows and it never goes  
I wanna stay away for ever, I s'pose!  
But she was only a passin' fad!  
Oh yeah?  
Baby baby, don'cha go way mad!

That gal was just a phoney!  
That chick had no finesse!  
I know that's just baloney  
But I forgive you, nonetheless!

I'm sorry dear if I made you blue!  
All of my life I've been a fool for you!  
Cool, kiss me just to show you're glad!  
Nothin' doin' 'cause I'm goin' 'way mad!  
You gotta forgive me!  
No! No no no!  
Oh forgive me!  
Well, I'll think about it!

Okay baby, I won't go 'way mad!
