

# Everything's Coming Up Roses

Rosemary Clooney

I had a dream, a dream about you, baby  
It's gonna come true, baby  
They think that we're through, but baby

You'll be swell, you'll be great  
Gonna have the whole world on the plate  
Starting here, starting now  
Honey, everything's coming up roses

Clear the decks, clear the tracks  
You've got nothing to do but relax  
Blow a kiss, take a bow  
Honey, everything's coming up roses

Now's your inning, stand the world on its ear  
Set it spinning, that'll be just the beginning  
Curtain up, light the lights  
You got nothing to hit but the heights

You'll be swell, you'll be great  
I can tell, just you wait  
That lucky star I talk about is due  
Honey, everything's coming up roses for me and for you

You can do it, all you need is a hand  
We can do it, Mama is gonna see to it  
Curtain up, light the lights  
We got nothing to hit but the heights

I can tell, wait and see  
There's the bell, follow me  
And nothing's gonna stop us till we're through  
Honey, everything's coming up roses and daffodils

Everything's coming up sunshine and Santa Claus  
Everything's gonna be bright lights and lollipops  
Everything's coming up roses for me and for you
