Rosemary Clooney

How About Me?

Words by (Lyricist): Irving Berlin

Music by (Composer): Irving Berlin

It's over

All over

And soon somebody else will make a fuss about you

But how about me?

It's over

All over

And soon somebody else will tell his friends about you

But how about me?

You'll find somebody new

But what am I to do?

I'll still remember you

When you have forgotten

And maybe

A baby

Will climb upon your knee and put its arms about you

But how about me?
