

## I Wish You Love

Rosemary Clooney

Goodbye, no use leading with our chins  
This is where our story ends  
Never lovers, ever friends...  
Goodbye, let our hearts call it a day  
But before you walk away  
I sincerely want to say...

I wish you bluebirds in the spring  
To give your heart a song to sing  
And then a kiss, but more than this, i wish you love!  
And in july a lemonade  
To cool you in some leafy glade  
I wish you health, and more than wealth, i wish you love!  
My breaking heart and i agree  
That you and i could never ever be  
So with my best, my very best, i set you free!  
I wish you shelter from the storm  
A cozy fire to keep you warm  
But most of all, but most of all...  
When snowflakes fall, i wish you wealth  
I wish you health...i wish you love!
