

I'm Checkin' Out, Goombye

Rosemary Clooney

I thought I'd call you
I hope you're not sick
'Cause I'm checkin' out
Go'ombye

Nice to have known you
You were my big kick
But I'm checkin' out
Go'ombye

You tried an old trick
You found a new chick
But, I was too slick
I'm in the know
You've got to go
The cake is all dough

It's too bad our bliss
Had to miss out like this
I'm checkin' out
Go'ombye

You tried an old trick
You found a new chick
But I was too slick
I'm in the know
You've got to go
The cake is all dough

It's too bad our bliss
Had to miss out like this
I'm checkin' out
Go'ombye
