

It's Easy To Remember

Rosemary Clooney

Your sweet expression, the smile you gave me
The way you looked when we met,
It's easy to remember, but so hard to forget

I hear you whisper „I'll always love you”
I know it's over and yet
It's easy to remember, but so hard to forget

So I must dream to have your hand caress me
Fingers press me tight
I'd rather dream than have that lonely feeling
Stealing through the night

Each little moment is clear before me
And though it brings me regret
It's easy to remember, but so hard to forget
