

Looking For A Boy

Rosemary Clooney

I am just a little girl
Who's looking for a little boy
Who's looking for a girl to love
Tell me please, where can he be
The loving he who'll bring to me
The harmony I'm dreamin' of?

It'll be goodbye, I know
To my tale of woe
When he says hello, so
I am just a little girl
Who's looking for a little boy
Who's looking for a girl to love

I am just a little girl
Who's looking for a little boy
Who's looking for a girl to love
I am just a little girl
Who's looking for a little boy
Who's looking for a girl to love
I am just a little girl
