

# The Gypsy In My Soul

Rosemary Clooney

If I am fancy free  
And love to wander  
It's just the gypsy in my soul  
There's something calling me  
From way out yonder  
It's just the gypsy in my soul

I've got to give in  
To my emotions  
I'm only content  
Havin' my way  
There is no other life  
Of which I'm fonder  
It's just the gypsy in my soul

No cares  
No strings  
My heart  
Has wings  
If I am fancy free  
And love to wander  
It's just the gypsy in my soul
