

# Shadow

Rosetta Stone

No more...  
A shade beyond remains in dust  
Ashes...  
Supernal sin breeds mistrust  
Ring the false  
You know it stands to reason  
Guide the lost  
Through this confusion

Shadow and shade for always  
Lord it over

And we lay the cards  
To ease our minds  
To run for cover  
To leave behind  
Leave behind this...

Sortilage...  
Beyond the age of premonition  
Far from here  
The afterglow of pure resplendence  
Horizons  
In hand

Temporal virtues of forgotten lands  
And nocturnal skies  
Will shine for me  
A blessing in your eyes

Coming events cast shadows before...
