

Rum

Rosette

I thought you would never lie to me
I thought we were always going to be
But you came around and played with my head
With all the stupid shit you done and said
You thought you can just fuck me up
You thought you could just have your fun
But the tables turn and now it my turn
I wanna know right now why

You lied
I can't believe all the this time that I wasted
And I tried
Now I'm drinking until I get wasted
You see in my eyes
You the only one I wanted, baby
And tonight
You're breaking my heart
Breaking my heart

Biri-biri-biri-biri-biri-bum
Biri-biri-biri-[]
You play with my heart like play with my heart
You play with my heart like rum-pa-pa-pum
Biri-biri-biri-biri-biri-bum
Biri-biri-biri-[]
You play with my heart like play with my heart
You play with my heart like rum-pa-pa-pum...

And there you know you got me
Losing sleep, come rescue me
In disbelief
You dunno know how much hurt me
Telling everyone that I'm going crazy

You lied
I can't believe all the this time that I wasted
And I tried
Now I'm drinking until I get wasted
You see in my eyes
You the only one I wanted, baby
And tonight
You're breaking my heart
Breaking my heart

Biri-biri-biri-biri-biri-bum
Biri-biri-biri-[]
You play with my heart like play with my heart
You play with my heart like rum-pa-pa-pum
Biri-biri-biri-biri-biri-bum
Biri-biri-biri-[]
You play with my heart like play with my heart
You play with my heart like rum-pa-pa-pum...

You said, I was incredible
You said, our bond unbreakable
But you left me all alone
Now I'm roaming on my own

You see in my eyes
You the only one I wanted, baby
And tonight
You're breaking my heart
Breaking my heart

Biri-biri-biri-biri-biri-bum
Biri-biri-biri-[?]
You play with my heart like play with my heart
You play with my heart like rum-pa-pa-pum
Biri-biri-biri-biri-biri-bum
Biri-biri-biri-[?]
You play with my heart like play with my heart
You play with my heart like rum-pa-pa-pum...
