Control

Rosie Lowe

The one thing sacred got to keep it safe
Don't leave it open cause they'll only get in the way
When you've got a good thing, watch the jealousy come riding in
Before you know it you feel your grip tightening

Cause we need control
Before we lose it all

And once the thought occurs there's no way of going back
I've seen it through those eyes and I can't seem to rewind time
If I learnt to let it go, go, go, would I lose it all?
Cause I think it would kill me if you proved me wrong

Cause we need control
Before we lose it all
Cause we need control
Before we lose it all

Go, go, go
Go, go, go
Go, go, go
Go, go, go
Go, go, go
Go, go, go
Go, go, go
Go, go, go
Go, go, go
Go, go, go
Go, go, go
Go, go, go
Go, go, go
Go, go, go
