

Something

Rosie Lowe

Something's better than nothing
Nothing's better than something broke
Broke is better than fixing
Fixing's better than letting go
Going's better than coping
Coping's better when set in stone
Something's better than nothing

If I could be it all, if I could see the writing on the wall
If I could break the fall, be careful what you're wishing for ' cause
It's the end of the night, it's the end of the night you know
On the edge of a knife, it's the end of the night you know

Something's better than nothing
Nothing's better than something broke
Broke is better than fixing
Fixing's better than letting go
Going's better than coping
Coping's better when set in stone
Something's better than nothing
Nothing's better than something broke
Broke is better than fixing
Fixing's better than letting go
Going's better than coping
Coping's better when set in stone
Something's better than nothing
Nothing's better when something broke

It's the end of the night
It's the end of the night you know
It's the end of the night
It's the end of the night you know
It's the end of the night
It's the end of the night you know

It's the end of the night you know
