

Have You Seen My Love?

Rosie Thomas

Have you seen my love?
Is he far away?
Have you seen the one for me?
His face lights up my day
I won't let one boy steal a kiss or call me his
Instead I'll wait for his voice to call out and carry these day
dreams away

Have you seen my love?
Is he far away?
Have you seen the one for me?
I won't let him get him get away
Please tell him that I'm waiting for him
Praying for him
Night and day
For now I'll be a lonely girl longing for his sweet embrace

Please tell him that I'm waiting for him
Praying for him
Night and Day
For now I'll be a lonely girl just long for his sweet embrace
