

# If I

Ross Copperman

Well you came to me, like a ray of light  
So suddenly, a beautiful surprise  
My universe alight, and it all seemed right

But I was unwise, and fooled myself  
Pretending you or I were somebody else  
Cause I can't speak the language that you need  
And it's killing me

If I cry for you, would you turn me away  
If I die for you, would you beg me to stay  
If I try to, read your mystery mind  
One thought at a time  
If I...

Would it be so hard, for you to let me in  
Would it hurt too much, to shed your skin  
Your rules, your game, but it's my heart at stake  
Watch it as it breaks

If I cry for you, would you turn me away  
If I die for you, would you beg me to stay  
If I try to, read your mystery mind  
One thought at a time  
If I...

What can I do, what can I do  
To reach out to you  
Tell me what can I do, what can I do  
Or is it no use...

If I cry for you, would you turn me away  
If I die for you, would you beg me to stay  
If I try to, read your mystery mind  
One thought at a time  
If I  
If I...
