

## Stay Blessed

Ross Copperman

I hope the good days they always outnumber the bad  
And if you gotta cry I at least hope you cry till you laugh  
I hope that you get it right more than you make mistakes  
And I pray for you forever that you feel more love than heartbreak

This world can be cold  
But don't let it ever  
Cheapen your gold  
And always remember

Stay you, stay young, stay wild, stay blessed  
May your dreams come true, may you find happiness  
May the rest of your days always be as good as it gets  
Stay you, stay young, stay wild, stay blessed  
Whoa, whoa  
Whoa, whoa

If you need someone to trust, just know you can always trust yourself  
And if you can't do it alone there ain't no shame in asking for help  
Know what you're worth, don't you settle for less than the best  
Treat every moment like it's the last one that you'll get, yeah

Stay you, stay young, stay wild, stay blessed  
May your dreams come true, may you find happiness  
May the rest of your days always be as good as it gets  
Stay you, stay young, stay wild, stay blessed  
Whoa, whoa  
Whoa, whoa

Stay blessed, stay blessed, blessed everyday  
Stay blessed, stay blessed, blessed always  
Stay blessed, stay blessed, blessed everyday  
Stay blessed, stay blessed, blessed always  
Stay blessed, stay blessed, blessed everyday  
Stay blessed, stay blessed, blessed always  
Stay blessed, stay blessed, blessed everyday  
Stay blessed, stay blessed, blessed always
