

Surf Crazy

Ross Lynch

Blue sky
Gentle breeze
What a day
Sunshine and sweet harmonies
Time to play
No more complications
From now on just good vibrations

On my way
Feeling fine
Can see my reflection in my surfboard shine
I can hardly wait to cause a commotion
Come on everyone, jump into the ocean

Flyin' high
Just outta reach
Come get hands, butts, necks
All wet at the beach

Surf surf
Surf surf crazy
(Surf surf, surf surf crazy)
Grab the perfect wave, say hi to the sky
Surf surf sand
It's a bikini wonderland
Summer's on and we've gone
Surf surf crazy

The radio blasts
Here's the plan
Soak up the sun and get the ultimate tan
We can hardly wait to show our devotion
Here we go again into the ocean

Now's the time
So here's the speech
Don't look back
Have a ball at the beach

Surf surf
Surf surf crazy
(Surf surf, surf surf crazy)
Grab the perfect wave, say hi to the sky
Surf surf sand
It's a bikini wonderland
Summer's on and we've gone
Surf surf crazy

Burn is hot
Water warm
A cool seaside match
Catch a wave
Turn it up
Make a splash
Make a splash
Make a splash

I'm Tanner!
Seacat!
Giggles!
Rascal!
Kiki!
Brady!
...I'm Mack

Surf surf
Surf surf crazy
(Surf surf, surf crazy)
Grab the perfect wave, say hi to the sky
Surf surf sand
It's a bikini wonderland
Summer's on and we've gone
Summer's on and we've gone
Summer's on and we've gone
Surf surf crazy
