Oh, yeah

Dunia berubah beriringan dengan
Kehadiran, kepergian
Senang dan sedihnya duniaku
Mempertanyakan banyak hal dalam satu waktu
Melepaskan harapan yang di simpan
Dan mencari bentuk baru
Saat senang harus di relakan
Saat rindu tidak pernah di perhitungkan

Ooh, here are the stories I have to tell
Life goes down and up a carousel
So, hear my melody
And sing along with me
You'll find my embrace

Through all my songs
(Through all my, through all my songs)
(Through all my) Through all my songs
(Through all my, through all my songs) Oh
(Through all my)
(Oh, songs)
