

Kau

Rossa

Kau
Sulutkan hatiku
Menerawang jauh
Menembus ke dalam
Kau
Bangkitkan gairahku
Hasratku menggapai
Harapan bersama

Oh, penyesalan kini
Tiada arti lagi
Ku sadari semua yang terjadi
Maafkan diriku
Yang tak mungkin akan
Menghalaukan hati
Insan yang ada
Telah lama bersama

I see a girl
She's a little older than me
Long hair, big eyes, she's a little silly
Diamonds on her hands
Red bottoms on her feet
90s' type chick that I really wanna meet

I said, "Can I get your number?"
She said, "What for?"
"I just really, really, really, really, wanna know you more."
Then I took her hand
She looked at me, "Wassup?"
And then we went around town 'til the sun is up

We got champagne for breakfast, bubblin' up
Roses in the bed with the petals and all
This started on a Saturday, quarter to three
And then a couple days later we're history

Aku
Tetapkan impianku
Bersama kasihku
Tertuju, bersatu
Derap langkah bersama
Alunan irama
Seiya, sekata, oh

Mengapa terjadi
Pertemuan dengan
Seorang yang mempesonaku
Di kala diri ini
Telah terpadu janji?
Tak mungkin 'kan ku ingkari
Apa dayaku
Menghadapi kenyataan

Ha-oh

Time is right, but it's not the right time

Time is right, but it's not the right time
Time is right, but it's not the right time
Blame the time, she would've liked

Apa daya, kau mempesona
You're the one, baby, you're the one
Ho-oh
You're the one, wish you were the one
Tak mungkin 'kan ku ingkari
Apa dayaku
Menghadapi kenyataan

Ku harus menghadapi
You're the one, baby, you're the one
You're the one, baby, you're the one
You're the one, wish you were the one
Ku harus menghadapi
