Just a single candle, burning
A small light has turned on
But it'll turn off at the slightest breath

With the wind, it's burning more
It spreads inside my heart
The light that grows each day

My hot head stops thinking
Maybe I'm burning
I can't hide the fire on my face
A big knock pounds on my heart
So baby come in
Thoughts of you fill me up and overflows

Don't know how but my heart is strongly burned
Popping here and there, my red and round heart
Don't know how but my heart is greatly burned
This new thing became so big without even knowing

Don't know how but my heart is strongly burned
Popping here and there, my red and round heart
Don't know how but my heart is greatly burned
I don't really know but this temperature is love

A small firefly, burning
Flickering at night
Disappearing when the sun rises

That small light is spreading its wings
Maybe it's flying
I try to catch it but I'm being dragged around
Sounds of bells ringing from far away pound at my heart
Baby it's warning
That something great has started

Don't know how but my heart is strongly burned
Popping here and there, my red and round heart
Don't know how but my heart is greatly burned
This new thing became so big without even knowing

Don't know how but my heart is strongly burned
Popping here and there, my red and round heart
Don't know how but my heart is greatly burned
I don't really know but this temperature is love

The dramas I watch these days don't seem like someone else's story
I don't wanna be too serious
But my head and my heart aren't communicating these days
My blank face in the mirror makes me so frustrated

Don't know how but my heart is strongly burned
Popping here and there, my red and round heart
Don't know how but my heart is greatly burned
This new thing became so big without even knowing

Don't know how but my heart is strongly burned
Popping here and there, my red and round heart
Don't know how but my heart is greatly burned
I don't really know but this temperature is love

Strongly burned heart
Red and round heart
Don't know how but my heart is greatly burned
Without even knowing, I can't even control it

Strongly burned heart
Red and round heart
Don't know how but my heart is greatly burned
Don't really know but I'm sure it's not different for you either
