

All Or Nothing

Rotimi

(H-Money!)

You're number one, there's only you
You're part of me and that's the truth
Explain to me, do you even know what you do?
I seen 'em all, been around the world
But couldn't give my heart to any other girl
Until you, so if you don't understand what you do, oh-oh

But girl it's too late (Ooh-ooh-ooh-ooh-ooh)
I've already fallen (Ooh-ooh-ooh-ooh-ooh)
Can you say the same? (Can you say the same?)
That it's all or nothing (All or nothing)
I'm talking forever, I'm with whatever
I want us together, it's now or never
Could you say the same? (Can you say the same?)
That it's all or nothing (All or nothing)

Heart of gold (Heart of gold), you're a diamond (You're a diamond)
Purest soul (Purest soul), fine as china (Fine as china)
Letting go, no, I'll never
'Cause you the best part, truly God's art
Yeah, you a soldier but sweeter than granola (Sweet)
And you poppin', body like a Cola
Yeah, that's true but you don't even know what you do, ayy

But girl it's too late (Ooh-ooh-ooh-ooh-ooh)
I've already fallen (Ooh-ooh-ooh-ooh-ooh)
Can you say the same? (Can you say the same?)
That it's all or nothing (All or nothing)
I'm talking forever, I'm with whatever
I want us together, it's now or never
Could you say the same? (Can you say the same?)
That it's all or nothing (All or nothing)

(Ooh-ooh-ooh-ooh-ooh)
(Ooh-ooh-ooh-ooh-ooh)
Could you say the same? (Can you say the same?)
That it's all or nothing (All or nothing)
(Ooh-ooh-ooh-ooh-ooh)
(Ooh-ooh-ooh-ooh-ooh)
Could you say the same? (Can you say the same?)
That it's all or nothing (All or nothing)
All or nothing
