Rotimi

Where you at, girl?  
Waitin' for y'all, he on a game  
On a game?  
Girl, we outside  
Y'all outside now?  
Outside  
We outside, right now  
We outside  
Baby, baby, yeah

Treat tonight like your birthday  
All that cake, it's your birthday  
Girl, you know I want you in the worst way  
Anything you want, you deserve, babe  
Happy birthday

All dressed up, looking all so wavy  
Skin-tight dress painted on you baby  
Seen you witcha girls, it's a celebration  
Been too long since you been outside  
Heard you left that nigga that ain't take you places  
Now you need somebody that's gon' spoil daily  
You know I do that, no question  
Never, ever have you stressin', yeah-yeah

Oh, oh, oh, oh  
We could have a time that we won't forget  
Oh, oh, oh, oh  
Want you living yo' life with no regrets  
Way you throwing all that ass, girl, I know it's soft  
Stand up on this couch, baby, show it off  
Bottle in ya hand  
Make that nigga jealous when he see it on the 'Gram  
Like, "God damn"

Baby, you decide what we on tonight  
If you gon' be mine, promise not to waste our time  
This that kind of vibe that we can't deny  
So it's only right, you and I

Treat tonight like your birthday  
All that cake, it's your birthday  
Girl, you know I want you in the worst way  
Anything you want, you deserve, babe  
Oh, 'cause tonight, it's your birthday

Girl I'm outside on that sneak, sneak, sneak  
TLC, we could creep, creep, creep  
See it your eyes, you a freak, freak, freak  
You a freak, freak, freak, yeah  
Cheap, cheap, cheap  
Seven whole days, your nigga weak, weak, weak

Tell him step aside, have a seat, seat, seat  
You single for the night  
We could slide if you want, do whatever feels right, like

Oh, oh, oh, oh  
I'll give you a time that you won't forget  
Oh, oh, oh, oh  
Want you living yo' life with no regrets
