Rotimi

Ooh, yeah
Ooh, nah
Ooh, yeah
Yey-yeah, yey-yeah
(H-Money)

I don't know, I don't know how to do this (Do this)
But I know I gotta push through it (Through it)
Doin' everything I can not to lose it (Lose it)
But you're still on my mind (Oh nah nah)
Check the phone, back in love with some new shit (New shit)
And everything about it feels stupid (Stupid)
Get another check off my to-do-list
To occupy my mind

Can't get away from us
Can't get away from love
It's just the way it was
If you down, I'm down to do it again, we can try

One more day, one more ni-i-ight
One more day, one more ni-i-ight
One more chance to deci-i-ide
One more day, one more ni-i-ight (We can try)
One more day, one more ni-i-ight
One more day, one more ni-i-ight
One more chance to deci-i-ide
One more day, one more ni-i-ight (We can try)

Running back to what I used to know (Ooh)
Running back 'cause I can't let you go

If we do, if we do, if we do this (Do this)
Then we finally know what the truth is (Truth is)
Either way it's gonna be a movie (Movie)
Or be the last time (Oh yeah)
If we do, if we do, if we do this (Yeah)
Let's do it like we something to prove, yeah (Prove, yeah)
I'ma kiss like I know I'm 'bout to lose it (Lose it)
All because I...

Can't get away from us
Can't get away from love
It's just the way it was
If you down, I'm down to do it again, we can try

One more day, one more ni-i-ight (Ni-i-ight)
One more day, one more ni-i-ight (Ni-i-ight)
One more chance to deci-i-ide (Dec-i-i-ide)
One more day, one more ni-i-ight (One more day)
One more day, one more ni-i-ight (One more day, babe)
One more day, one more ni-i-ight (One more night, baby)
One more chance to deci-i-ide (One more chance, babe)
One more day, one more ni-i-ight

Running back to what I used to know (Ooh)
Running back 'cause I can't let you go

Gotta get you home tonight (Tonight)
I, I (I, I, I)
Gotta get you home tonight (Tonight)
I, I (I, I, I)

One more day, one more ni-i-ight (All I need, babe)
One more day, one more ni-i-ight
One more chance to deci-i-ide (One more)
One more day, one more ni-i-ight (Oh oh)
One more day, one more ni-i-ight (All I need)
One more day, one more ni-i-ight (One more day)
One more chance to deci-i-ide (One more chance)
One more day, one more ni-i-ight
