

# Derty December

Rotimi

Baby baby yeah

Pull over

Pull over

Pull over

Tok tiky tok tiky tok tiky cobra

Pull over

Pull over

Pull over

Tok tiky tok tiky tok

She just wanna see it all see it all

Girl it's showtime

Cuz once I make that call that call

Then she off my line

Cuz she wanna live softly so soft

It's no lie

Cuz she know that I'm him yea him

And she know I am

Yeah yeah

Baby I'm your 1 2 3 but you gon' be 4 ever

Baby you gon' bust this pipe and you gon' feel this pressure

Fresh up out this shower I gon' do you make it wetter

If you gonna do me do me derty like December

Pull over

Pull over

Pull over

Girl pull over touch the cobra

Pull over

Pull over

Pull over

Girl pull over touch the cobra

Grind loggba loggba

Grind loggba loggba

Wine soca soca

Tok tiky tok tiky tok

No matter who you wit'

No matter what you did

No matter who had it

It ain't giving what I give

You ain't no angel

I ain't no saint

Python baby grab it with both hands

Can't wait to get next to you

Your vibe is moving sexual

Bend over girl you're flexible

We gon' turn this bed into a festival

Baby I'm your 1 2 3 but you gon' be 4 ever

Baby you gon' bust this pipe and you gon' feel this pressure

Fresh up out this shower I gon' do you make it wetter

If you gonna do me do me derty like December
