

## Fall Back

Rotimi

Nah, nah, nah, nah, nah  
Nah, nah-nah  
Nah, nah, nah, nah, nah  
Nah, nah-nah (Baby, baby, yeah)  
Nah, nah, nah, nah, nah  
Nah, nah-nah (Baby, baby, yeah)  
Nah, nah, nah, nah, nah  
(Hol' up!)

Don't even mind, if you make that call I'll take that dive  
Waterfalls when I'm inside, I get you right  
You throw it back, I move forward but you still on my mind  
All of the time

Girl, you know, I like a tight grip  
Talk to your lips but I don't say shit  
Come and get on top of it  
Love the way you look in that cute outfit  
Have it all the time I wish, hey  
Have it all the time I wish, I swear I never had it quite like this

No, I can lie-ie-ie  
Baby, I just love the way you ri-i-ide  
Fuckin' you is more than just a vibe, this time  
Please don't fall back, fall back  
Please don't fall back, fall back  
Please don't fall back, fall back, yeah

Baby, baby, yeah  
Nah, nah, nah, nah, nah  
Nah, nah-nah  
Baby, baby, yeah  
Nah, nah, nah, nah, nah  
Nah, nah-nah

Baby, when I lie with you  
I will never tell another lie to you  
Hard to get the past out your head, I know  
Let's leave it all in the bed, let's go, uh  
You've been workin' hard too  
Damn you lookin' good, I'm so proud of you  
I just wanna show a little gratitude  
Just to let you know you're incredible, yeah

Girl, you know, I like a tight grip  
Talk to your lips but I don't say shit  
Come and get on top of it  
Love the way you look and that cute outfit  
Have it all the time I wish, hey
